ABOUT ME

I am a motivated and detail-oriented **Front-End Developer & Flutter Programmer** with a passion for creating clean, responsive, and user-friendly digital experiences. With a strong foundation in UI/UX design and modern web technologies, I enjoy turning ideas into functional and visually appealing products. I thrive in collaborative environments, value continuous learning, and take pride in solving complex problems with elegant code. My goal is to contribute to innovative teams and build scalable solutions that make a real impact.
